

## About Us

Covercab, Inc. is the nation's leading manufacturer of all-weather forklift cab covers. Since 1984 it has manufactured its patented covers for some of America's largest employers, as well as for thousands of smaller companies. Covercab's founders have more than a half-century of experience in covering various industrial products, and they have produced forklift covers for every major forklift brand in the marketplace.

## Testimonials

### Dealers say:

*"Every company that buys a forklift should also purchase a Covercab cover. It's one of the smartest low-cost investments any company could make."*

— Tom Murray, Hi Lo Yale Industrial Trucks

*"What an amazing product! If you operate your forklift outdoors, you'd be foolish not to get a forklift cover from Covercab."*

— Dennis Gray, Lift Service Inc.

*"A forklift without a Covercab cover is like a house without a roof."*

— Ed Altamare, Nissan Lift of NY

### End users say:

*"My Covercab cover paid for itself within the first few months. It saved us a huge number of forklift operator sick days. It was also a great investment in employee loyalty, since it showed our operators we care about their well-being."*

— Lynn Johnson, Armtec Defense Products

*"After just one day I knew that buying a Covercab cover was a smart investment. I'll never take the risk of exposing another forklift operator to the rain or snow ever again."*

— Warren Smith, Antelope Oil Tool & Manufacturing
